BOOK PLAN

Don't forget that the 2006 Ecuador Workshop will actually be spent developing chapters for the very practical focused book on Connectivity Conservation Management to be produced.

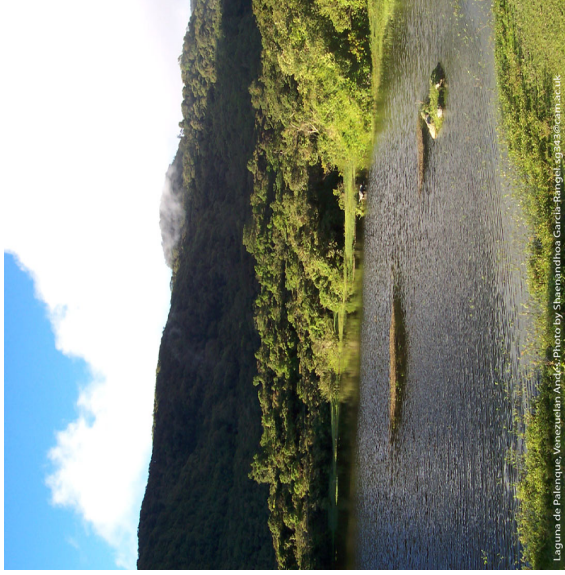

A plan for the book has been prepared and is posted on www.mountains-wcpa.org.

Check it out. Authors may wish to start planning their contribution!!

2005 INTERNATIONAL MOUNTAINS CORRIDOR

Participants at the International Mountain Corridors Conference, Catalanian Pyrenees, Spain (Co-sponsored by Fundacio Territori Paisatge and the WCPA Mountains Theme) are reminded that papers prepared for this Conference could be published in the book arising from the 2006 workshop.

Please remember the guidelines from the standard template at www.mountains-wcpa.org!!
