the CC2006 Workshop contact Dr. Fausto Sarmiento at [fsarmien@ugr.edu](mailto:fsarmien@ugr.edu)

### CONNECTIVITY CONSERVATION WORKSHOP, PAPALLACTA - ECUADOR NOVEMBER 14TH -17TH 2006

**W**elcome to the Fifth Newsletter for the Connectivity Conservation Workshop, on this issue you'll be reading about the latest news of this upcoming meeting.

An outstanding venue has been selected for the workshop at the Papallacta thermal springs (near Quito) (See [www.mountain-wcpa.org](http://www.mountain-wcpa.org) <<http://www.mountain-wcpa.org/>> )

A very interesting programme has been developed mixing work and field trips to nearby protected areas ([www.mountains-wcpa.org](http://www.mountains-wcpa.org) <<http://www.mountains-wcpa.org/>> )

Invitations have been sent out to potential workshop attendees. If you have not received an invitation please check the website (above) for details and express your interest in attending to Dr Fausto Sarmiento as early as possible ([fsarmien@ugr.edu](mailto:fsarmien@ugr.edu)).

For those that have already responded, we will be in touch with you regularly. For those who may need assistance and who have advised Dr Sarmiento of this, we will advise you immediately if there is support available.

#### **ACTION PLANNED**

A regular newsletter will be issued to participants (only) commencing July-August 2006

Papallacta Thermal Springs
